

 Changes have been made to the API in this version. Therefore it's necessary to recompile against the new version of the API.

## Compatibility

Product	Version(s)	Notice
FirstSpirit	5.0	

## New features

ID	Category	Description
LS-171	Feature	Defining custom attributes for root-node of UXB-Message
LS-173	Documentation	Using schedule properties instead of schedule variables: Setting an own message generator within a schedule by calling context.setVariable("MessageGenerator", ...) is no longer supported. Please use context.setProperty("MessageGenerator", ...) instead.

## Help

The [e-Spirit Helpdesk](#) provides expert technical support to customers and partners covering any topic related to the FirstSpirit™ product. You can get and find more help concerning relevant topics in our [community](#).
